This Agreement entered into this first day of July 2010, by and between the Board of Education of Downe Township, the City of Newport, New Jersey, hereinafter called the "Board" and the Downe Township Education Association / Concerned About Real Education [s], hereinafter called the D.T.E.A./C.A.R.E.s.

WITNESSETH

WHEREAS, the parties have reached certain understandings which they desire to confirm in the Agreement, be it

RESOLVED, in consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I

RECOGNITION

1.1 The Board hereby recognizes D.T.E.A./C.A.R.E.s as the exclusive and sole representative for collective bargaining negotiations concerning grievances and terms of employment for all staff, which shall include: teachers and certified personnel, aides, bus drivers, cafeteria/food service workers and custodial/janitorial staff, and secretaries whether full or part time, employed or to be employed by the Board.

1.2 Excluded from the above unit shall be confidential secretaries, accounting clerk(s), per diem employees, cafeteria supervisor, custodial supervisor, and other employees having supervisory authority over other unit members.

1.3 Full-time employees shall be those who work twenty (20) hours or more per week on a regular basis. Part-time for all employees shall be defined as those individuals who work less than twenty (20) hours per week.

1.4 Unless otherwise indicated, the term "Staff" or employee, when used hereinafter in this Agreement, shall refer to all employees represented by D.T.E.A./C.A.R.E.s in the negotiating unit as above defined and references to female staff shall include male staff.

ARTICLE II

NEGOTIATION OF SUCCESSOR AGREEMENT

2.1 The parties agree to enter into collective negotiations over a successor agreement in accordance with Chapter 123, Public Laws of 1974, in a good-faith effort to reach agreement on all matters concerning the terms and conditions of employment. Negotiations shall begin in accordance with statute. Any Agreement so negotiated shall apply to all applicable members of the bargaining unit and be ratified by both parties.

2.2 If a mutually acceptable amendment to this agreement is negotiated by the parties, it shall be reduced to writing and ratified by D.T.E.A./C.A.R.E.s and the Board and inserted as an amendment to the existing contract.

2.3 This agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE III

GRIEVANCE PROCEDURE

3.1 A "Grievance" is a claim by a member or D.T.E.A./C.A.R.E.s based upon the interpretation, application or violation of this agreement, policies or administrative decisions affecting an employee or group of employees. Only cases based upon the interpretations, application or violation of the agreement and policies, administrative decisions and practices that affect the terms and conditions of employment are subject to the arbitration provisions of this agreement. The Association and Board agree that a practice can be arbitrated only if it complies with the **canons of past practice**: it must be clear; it must be consistently followed over a reasonable length of time; and it must be shown to have been known and accepted by management and labor.

3.2 The purpose of this procedure is to secure, at the lowest possible level, solutions to the problems which may from time-to-time arise affecting members. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure. The parties further agree that the time constraints of this procedure are to be considered maximums and the failure of either party to process any grievance according to the time limits contained in the procedure below will render the grievance settled in favor of the other party. The time limits specified may, however, be extended by mutual agreement.

3.3 In the event a grievance is filed at such time that it cannot be processed through all steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, time limits set forth herein may be reduced by mutual agreement so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practical. All other grievances shall be frozen on June 1 and the clock shall be restarted on the first day of the next school year.

3.4 GRIEVANCE PROCEDURE

Level 1 A staff member and/or the grievance committee shall first discuss it informally with the Superintendent within fifteen (15) working days after becoming aware of the grievance.

Level 2 If the aggrieved person is not satisfied with the disposition of his/her grievance at Level 1, he/she may submit the grievance to the Superintendent of Schools, in writing, within five (5) working days after the informal discussion. The Superintendent of Schools will investigate the information presented in the written grievance form and will prepare a written decision within five (5) working days after receipt of the written grievance.

Level 3 If the aggrieved person is not satisfied with the disposition of his/her grievance at Level 2, he/she may request a hearing and submit his/her grievance to the Board of Education on the appeal form, within ten (10) working days after receiving the written decision of the Superintendent in Level 2 above. The Board of Education shall review the information provided on the appeal form and in turn may also request a hearing with the staff member and/or the grievance committee in order to render a decision. The Board of Education shall render a decision in writing within twenty (20) working days from the date of the receipt of the grievance.

Level 4 A. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level 3, he/she may, within five (5) working days after the decision by the Board, request in writing that the Association submit the grievance to arbitration. If the Association determines that the grievance is meritorious, it may submit the grievance to arbitration within fifteen (15) working days after receipt of a request by the aggrieved person.

B. Within ten (10) working days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the **Public Employment Relations Commission (PERC)**. The parties shall then be bound by the rules and procedures of the Public Employment Relations Commission.

C. The arbitrator's decision shall be in writing and shall be submitted to the Board and the D.T.E.A./C.A.R.E.s and shall be binding on both parties.

D. The costs for the services of the arbitrator including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the D.T.E.A./C.A.R.E.s.

Any other expenses incurred shall be paid by the party incurring the same.

3.5 Any aggrieved person may represent him/herself or be represented by D.T.E.A./C.A.R.E.s at any stage of the grievance procedure. If the aggrieved person chooses to represent him/herself, the Association shall be notified of the time and place of any meetings, and shall be allowed to participate in any discussion or resolution to that grievance.

3.6 MISCELLANEOUS

A. All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personal file of any of the participants.

B. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this Article.

C. Copies of any written correspondence or documents of relevance to the processing of a grievance shall be given to the Association.

D. It is understood that staff members shall, during and notwithstanding the pending of any grievance, continue to function in their duties until such grievance or any effect thereof shall be fully determined.

3.7 **A.** The Board will provide the form for processing a grievance in a timely manner upon request. A form for processing the grievance is attached as **Appendix A**.

B. During the filing, pendency, and hearing of any grievance, employees and the D.T.E.A./C.A.R.E.s will not impede the operations of the district, its policies, programs, directives or personnel. Nor shall any of the above occur after the decision has been rendered.

C. Parties in interest will cooperate in investigating and providing pertinent information concerning a grievance being processed.

D. All meetings and hearings under this procedure shall not be conducted in public unless required by the Open Public Meeting Act of the State of New Jersey.

25.1 The Board shall provide, at board expense, 100% full single coverage for a period of 12 months, after which time the employee shall become eligible for 100% full family coverage. Full-time employees shall be eligible to purchase additional family or dependent coverage at the group rate during the 12 month new employee period. This is based on mutual ratification of the contract by May 21, 2010 in accordance with State regulations.

25.2 For each full-time employee who remains in the employ of the Board for the full school year, the Board shall make payment of the insurance premiums to provide insurance coverage for the full twelve (12) month period commencing September 1st and ending August 31st.

25.3 The Board shall provide to each member a description of the health care insurance coverage provided under this Article.

- B. Employees may decline or change coverage once a year during the open enrollment period.
- C. Employees wishing to decline dental insurance coverage will not receive renumeration.

25.7 Dual Insurance Option The parties recognize that certain employees have dual health care insurance coverage through spouses who have health insurance coverage. During the annual open enrollment period, those employees wishing to decline health insurance coverage, to include the prescription plan provided by this agreement, may so notify the Board of Education, which will in turn notify the health insurance provider for the Board. Those employees wishing to decline health insurance coverage shall be paid a sum of \$4000 per year of the contract. Said payment shall be made in two (2) installments, one on January 1 and the second on July 1.

For life-changing circumstances, i.e., death of a spouse, or divorce, or loss of employment by a spouse, an employe shall be permitted to re-enroll without penalty as per the NJ State Health Benefits Act. Those emploices so re-enrolling shall have immediate coverage. If applicable, employees may utilize the provisions of COBRA to provide continuous coverage.

Employees electing to exercise the dual coverage option shall notify the Board during the annual open enrollment period.

The parties recognize that the Board's health insurance provider, as per its contract with the Board, may mandate a minimum level of participation of the Board's employees. Notwithstanding any of the provisions of this paragraph, any mandate minimum level of participation shall not be violated, nor shall any of the terms nor conditions of the Board's contract with the health care provider be violated.

In the event that a sufficient number of employees elect the dual health care option such that the Board meets its minimum mandatory participation level, the Board shall then establish a waiting list to be prioritized based upon the date that the employee requested the dual health care option.

ARTICLE XXVI

SENIORITY AND JOB SECURITY

26.1 School district seniority is defined as service by support staff in the school district from date of hire to the present, in the collective bargaining unit covered by this agreement.

26.2 Any reduction of positions shall be accomplished only in the following manner: Support staff affected by such a reduction shall have seniority rights over the most junior support staff member within his/her current category of employment (as listed in the salary schedule) and those support staff members thus affected shall retain the same rights in replacing the most junior support staff members in their respective categories before reverting to the next lower category to exercise seniority rights, but in no case shall the affected support member's reduction be any more than one (1) salary step at a time as established on the salary guide.

26.3 In the event that a vacancy occurs, a laid-off support staff member shall be entitled to recall thereto in the order of his/her job category seniority. This right to recall shall expire on September 1 in the school year following the school year in which lay-off occurred.

26.4 Notice of recall to work shall be addressed to the support staff member's last address appearing on the records of the school district, by certified mail, return receipt requested. Within 30 days from receipt of such notice of recall, the support staff member shall notify the Board of Education, in writing, whether or not he/she desires to return to the work involved in the recall. If he/she fails to reply or if he/she indicates that he/she does not desire to return to such work, he/she shall forfeit all of his/her seniority and all rights to recall.

26.5 Seniority shall not be accumulated during the period of lay-off. Upon recall the support staff member shall have his/her accumulated seniority restored to the date of lay-off.

26.6 All notices of job opportunities within the negotiating unit shall be posted in all work locations on the bulletin board when possible, fifteen (15) days before closing date for applications. A copy of each such notice shall be sent to the Association.

26.7 A support staff employee shall lose all accumulated school district seniority only if he/she resigns or is discharged for cause*, irrespective of whether he/she is subsequently rehired by the school district.

26.8 In the event a proposed RIF impacts on two or more individuals who have the same seniority profile, and performance is not an issue, the seniority shall be resolved in the following manner:

A. A lottery shall be held in the presence of the Superintendent of Schools, the Association President, and the affected members.

B. The names of the individuals will be written on separate pieces of paper.

C. These pieces of paper shall be folded, placed in any suitable container, and jumbled thoroughly.

D. The Superintendent will draw one name and by mutual agreement that will be the person terminated by the RIF.

Nothing herein shall preclude one of the lottery candidates from volunteering to be the person riffed.

* If the Board is not sustained in its position after an employee has pursued all levels of the grievance procedure or sought entitlement under Chapter 269, then the provision of 26.7 shall apply.

ARTICLE XXVII

WORK CONTINUITY

27.1 During the period of time of this agreement, D.T.E.A./C.A.R.E.s and its members and members of the bargaining unit represented by D.T.E.A /C.A.R.E.s shall not have the right to engage in any slowdown, work stoppage or strike action.

If an employee does not become a member of the Association during any membership year (i.e., from September 1 to the following August 31) which is covered in whole or in part by this agreement, said employee will be required to pay a representation fee to the Association for the membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as a majority representative.

28.2 Amount of Fee/Notification

Prior to the beginning of each membership year the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non members will be determined by the Association in accordance with the law.

C. Termination of Employment If an employee who is required to pay a representation fee terminated his/her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.

D. Mechanics Except as otherwise provided in this Article, the mechanics for the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the transmission of regular membership dues to the Association.

E. Changes The Association will notify the Board in writing of any changes in the list provided for in Paragraph 1 above and/or the amount of the representation fee. Such changes will be reflected in any deductions made more than ten (10) days after the Board received said notice.

F. New Employees On or about the last day of each month beginning with the month this agreement becomes effective, the Board will submit to the Association a list of all employees who began their employment in the bargaining unit during the preceding thirty (30) day period. The list will include names, Social Security numbers*, job titles, dates of employment and places of assignment for all such employees. The Board will also notify the Association of any change in the status of an employee regarding transfer, leave of absence, return from leave, retirement, resignation, separation from employment or death.

28.4 Indemnification and Save Harmless Provision

A. Liability The Association agrees to indemnify and hold the Board harmless against any liability which may arise by reason of any action taken by the Board in complying with the provisions of this Article, provided that:

1. The Board gives the Association timely notice in writing of any claim, demand, suit or other form of liability in regard to which it will seek to implement this paragraph; and
2. If the Association so requests in writing, the Board will surrender to it full responsibility for the defense of such claim, demand, suit or other form of liability and will cooperate fully with the Association in gathering evidence, securing witnesses and in all other aspects of said defense.

B. Exception It is expressly understood that Paragraph "A" above will not apply to any claim, demand, suit, or other form of liability which may arise as a result of any type of willful misconduct by the Board or the Board's improper execution** of the obligations imposed upon it by this Article.

* The Association agrees to maintain confidentiality of these Social Security numbers. These numbers shall be used only to maintain membership rolls within local and parent organizations.

** The correct amount of money must be transmitted at the proper time. Current practice reflects transmission of funds once a month within 5 working days of the 30th. This application would necessitate the same requirement as mentioned above.

ARTICLE XXIX

SUBCONTRACTING SEVERANCE SETTLEMENT

29.1 In the event that subcontracting results in fewer positions, the Board shall provide the following considerations for those individuals not hired or offered employment by the subcontractor:

- A. Continuation of medical coverage for 90 calendar days.
- B. Continuation of prescription plan for 90 calendar days.
- C. Favorable reference in writing, on Board stationery, stating that the employee's performance was satisfactory and the reason for termination was strictly economical and not performance-related.
- D. Continuation of salary for 60 calendar days.

29.2 The above sections A, B, C and D shall constitute the full extent of the Board's liability in terms of any severance settlement due to subcontracting for those employees so affected.

ARTICLE XXX

MISCELLANEOUS PROVISIONS

30.1 This agreement constitutes a bilateral agreement for the term of said agreement, and the Board shall carry out the commitments contained herein and give them full force and effect as Board policy.

30.3 For contractual work performed during the normal school day and during the normal school year, the Board will pay all bargaining unit members in accordance with the provisions of this agreement. For non-bargaining unit work, the Board will determine such matters at its own discretion.

30.4 All employees, if required to perform Jury Duty during their work day or work year, shall suffer no loss of pay, benefits or seniority. All employees, if called for Jury Duty during their work year, shall seek an exemption or deferment and provide to the employer verification of their attempt to obtain this waiver in order to receive remuneration. A deferment for 10-month employees shall refer to that time during the summer when school is not in session.
